

Welcome to all

This year due to the economic times, we have taken the opportunity to offer the lowest prices in 15 years. To be able to do this we will not be doing the shows, and visiting our old guests who have become friends over the years. We will try to keep everyone up to date with our email IF YOU ARE NOT ON THE LIST PLEASE JUST CLICKING ON **INQUIRIES** AND ADD YOUR NAME.

The show special of \$10,000 Canadian for a 6 day fishing, for up to 4 persons, is approximately \$7750 US... a savings of 33%

**This represents \$1940 US per person
for an all inclusive six day fishing trip.**

This is less than half the price, per fishing day, of a Lodge. Lodges typically go for \$2000 for a 4 day trip which is only 3 days of fishing. On top of that we give you your first night accommodations FREE, another \$400.00 savings. All transportation to and from the airport is provided FREE of charge. If this is not enough we have special airfares from the US to the Terrace/Kitimat airport round trip; refer to our web for a location near you:

Examples:

Portland, OR is \$544 US;
Los Angeles, CA \$636 US;
Houston, TX \$688 US.

For all of you that would like a charter for more than four people we have added another 43' yacht with two state rooms so with two yachts we can handle eight people (four per yacht).

We supply everything except alcohol and your fishing license, check out the webpage for a kit list. We will chase fish through 200 miles of inside passage protected waters, (no big rolling waves that get you sick) while you watch Whales, Orca's and Porpoise play in the pristine marine wilderness. The full time cook will provide five meals per day. Dinner will consist of four to nine courses of fresh caught crab, halibut and other white fish (check out the recipes on the web), steak with prawns, or barbequed salmon while anchored in a tranquil remote bay. You can beachcomb on white sandy beaches, visit secluded wilderness hot springs or remote native villages.

Your private yacht will have all the comfortable amenities: air conditioner, ice makers and ensuite washrooms. All the latest fishing gear and tackle will be available (note the great list of sponsors that support us on our site). All of your catch will be vacuum packed and placed in re-usable roll on soft pack coolers supplied by "California Innovations" for your trip home. We will provide a personal DVD so you can revisit your trip all over again. Please remember we are a full time operation with coast guard approved equipment to make your trip both safe and enjoyable. Our mission is to make this an adventure you will want to repeat.

Yours truly,
Captain Dave Wahl
