This special cannot be combined With any other discount and is only good for the 2009 year

## Guided Eco Tour

### 7 to 14 Days

This once in a lifetime experience lasts six to fourteen days and covers hundreds of miles of inland protected waters. While cruising in our luxury yacht and dining on fine cuisine (including fresh caught fish and crab), we will explore the pristine marine wilderness for the elusive ghost bear. Each moment could bring opportunities to see whales, killer whales, sea lions and eagles along with bears, deer, and other creatures. Explore remote native villages and see totem poles and longhouses. Visit fishing villages with net lofts and boat houses. Beach come along white sand beaches and visit raw hot springs

### Viewing and sightseeing probabilities
